Welcome to The Puppet Company 2022 Catalogue

Celebrating 21 magical years of The Puppet Company – a family business which has grown from starting at our kitchen table to now being one of the largest suppliers of puppets in the World.

Thank you for your interest in our range of quality puppets. Over 2021 we saw extensive growth from new and existing customers and unprecedented demand for product ranges. In this catalogue you will find our current range of popular puppets and several new additions as we continue to enhance and grow our product portfolio, giving you the opportunity to increase sales.

Our puppets simply demand to be played with, encouraging creativity, role play, performance but most of all fun! This catalogue contains hundreds of puppets that are suitable for children, adults, teachers and professional puppeteers alike. We also have collections that are certificated from birth so are suitable for babies, including a completely new Eco-friendly range made from 100% recycled plastic bottles.

Our expert sales and customer services team are on hand to discuss any retail requirements to grow your business, from eco-friendly POS, counter displays, FSDUs and more. If you are celebrating a special occasion or an event we would love to discuss how we can help. Don't forget to check our website for new ranges and updates and follow us on social media for competitions and announcements.

Wilberry Toys

Our sister company Wilberry Toys has a superb collection of soft toys which perfectly complement our puppets. You can find our full Wilberry range at www.wilberrytoys.com

Get In Touch

There's nothing we love more than hearing from you, our loyal customers! That's why we've employed new staff to help answer queries, have people on standby to answer the phones straight away (no being put on hold or put in a queue!) and invested heavily in our social media. So it's now even easier than ever to get in touch with us, and we really hope you do! Here's all the details to find out more about the wonderful world of puppets and join the Wilberry Way.

Walking ECO Puppets *New*

The Puppet Company are very proud to introduce this exciting new collection of 'Walking' Puppets made from 100% recycled plastic bottles. This Eco collection is the first of many that we are introducing as we continue to build on our commitment to sustainability. Every single component in each puppet, from the thread used to embroider the eyes, to the stuffing making it extra cuddly, has been recycled and re-used. This range also has a fantastic point of difference with not just arm and head manoeuvrability, but legs as well making these puppets a superb two-handed item with excellent functionality – enabling you to make them walk, run, dance and more!

This vibrant and luxurious range does not compromise our high-quality standards and has fifteen adorable creatures to choose from, with further designs in the pipeline to complement our existing collections.

Have a puppet – have fun
– help save the planet.

Average height - 45cm excluding tail.

Top Tip!
To demonstrate, simply put your hand in the puppet and hold a finger up in front of its beak with your other hand, move your finger side to side and up and down and get the puppet to follow it with its head. The effect is wonderful and really brings the puppet to life!

Playful Puppies

The 'Playful Puppies' feature four large, realistic and delightful puppy dogs, including a brand-new Cockapoo for 2022! Access to the mouth is between the front paws so you can open their mouths and turn their heads without your hand showing. They are big, lifelike and very easy to use – and are super cuddly. Great for children and also as 'companion pets' for older generations.
Average length - 50cm.

Top Tip!
If you operate the 'puppies' mouth with your right hand and 'cuddle' it with your left (similar to the image above) you can use your fingers on your left hand to wag the tail. Roll your right hand to get them to lick their paws or roll your hand and arm over so they can have their tummy tickled - magical!

Baby Monsters

Available in six fabulous designs including a new and very popular Rainbow entry! Baby Monsters certainly put a smile on your face with each character being full of personality and fun and just itching to be played with. Every 'Baby Monster' is as large as a melon with a huge mouth so they can talk, shout and sing (with a bit of help from you). If you don't want to give them voices the air-filled squeaker in each one gives you lots of different sounds – great fun and so easy to use!
Average height - 35cm.

Top Tip!
Our Baby Monsters have been designed to look even better when their legs are dangling over the edge of the counter or shelf and are a perfect range for seasonal sales such as Halloween.

European Wildlife

Our European Wildlife range contains full bodied hand puppets of the finest quality. They will sit by themselves on a shelf or table resembling a soft toy, but pick one up and you will find that you have a superb glove puppet with full hand movement. They are suitable for use by both children and adults and have become a firm favourite over the years.
Average height - 25cm.

Top Tip!
All of the European Wildlife range can free stand in a group or sit nicely on the top crown of the 32-Arm Floor Stand. If you stock our finger puppets, you can create a little family group, for example, the Badger with two finger puppet 'baby' Badgers.
