PU gross Kg:	1.06667	40fHQ Cont.:	4254
Tariff no.:	95030021		

Lisa Magic Eyes is a lovely soft-body doll (38 cm) with functions. Just wave your hands in front of Lisa Magic Eyes' face and she will roll her eyes right or left and laugh at the same time (demo mode). Further sweet baby sounds as well as moving of the eyes are activated by pressing the tummy and the left hand. If you squeeze her right hand, Lisa Magic Eyes will be sad and cry. But thanks to the delivered pacifier the sweet doll can be comforted quickly and you can hear cute sucking sounds. More great role plays like feeding of the doll can be realised with the included bottle. Due to her soft-body and her cuddly outfit consisting of a pullover with mouse embroidery, trousers and matching cap, Lisa Magic Eyes is perfect to cuddle and hug. Note: The doll has a demo mode. To get all functions the switch has to be set from DEMO to ON on the backside of the doll.

LISA NEWBORN BABY

Item no.:	94073AD	EAN:	4003336410297
PU:	4	PU in cm:	31x18x37,5
Packaging:	SB	SB in cm:	63x38x41

The doctor set includes a 38 cm tall baby doll with functions and many accessories for imaginative role-playing. The adorable soft-bodied doll gets red cheeks when you wave in front of her face (in demo mode). When you switch to play mode on the back of the doll, her cheeks turn red as soon as you press on her stomach and she whines. If she laughs when you touch her stomach, Doctor Baby is happy and she is healthy again. Thanks to the stethoscope, syringe, thermometer, and bottle, the little darling can be treated and cared for. Note: By switching from demo mode to ON on the back of the doll, all functions are activated.

The cute doll (42cm) just looks like a real baby. The baby was designed anatomically correct (girl) and modelled with loving details such as body wrinkles, realistic hands, feet and face. With this doll all doll mums/dads learn responsibility through playing. The doll is waterproof and can therefore be taken in the bathtub. Note: Only to be washed in clear water. Please ensure that there is no water left inside the doll.

The combi doll's pram XEO has a modern design and is suitable for dolls up to 46 cm. With its adjustable handle, this doll's pram is easily adaptable to your child's height; also, it's possible to mount the carrycot in direction of travel or towards your child. With the reversible handle a change of the direction is also possible. The doll's pram can be easily converted to a pushchair with press buttons and with the change of the angle of the carrycot. The carrycot's cover will either way; if she's sitting or lying in the pram; protect the little doll from sun and wind. The swivel front wheels assure a stable cornering. The accompanying bag has a long handle to be used as a shoulder bag and two short ones as a hand bag. Additionally, it includes a zipper to close the bag safely. For more storage space the integrated shopping basket is also perfect to keep everything stored.

Neo Vario is a modern designed combi doll's pram and suitable for dolls up to 52 cm. With its adjustable handle (62 - 79 cm) this doll's pram is easily adaptable to your child's height; also, it's possible to mount the carrycot in direction of travel or towards your child. Furthermore, the doll's pram has a reversible handle, thus the handle can be easily moved on both sides. It's also possible to change the angle of the carrycot, thus the doll's pram is convertible to a jogger pushchair with just a few steps. The carrier's cover will either way; if she's sitting or lying in the pram; protect the little doll from the sun and wind. The pivoted front wheels guarantee a stable cornering. For transportation the doll's pram can easily be folded. The accompanying bag has a long handle to be used as a shoulder bag and two short ones as a hand bag. Additionally, it includes a zipper to close the bag safely. For more storage space the integrated shopping basket is also perfect to keep everythi

This modern doll's car seat has a very fashionable colour. The beautiful car seat is suitable for dolls up to 46cm. With its wonderful fabric and its integrated sunshade, the doll or plush toy sits comfortably and is protected from sun and wind in the face. Thanks to its integrated seat belt, the doll or the plush toy is secured from falling and has sweet dreams while travelling. The ergonomic handle which can be positioned back or in the middle is comfortable to carry, thus it is easy to carry the doll or the plush everywhere you want. Placed on the floor the doll's car seat can rock when slightly pushed. It is also possible to mount the doll's car seat on the Neo Vario or the Xeo doll's pram.

This nursery bag including a changing mat and a sewing diaper is perfect to take care of your doll and to carry the most needed doll accessories with you all the time. The beautiful nursery bag has a lovely design and is closed with a zipper thus all things are safe during transportation. Further space for the most necessary items offers the pocket on the front side of the bag. Thanks to the adjustable shoulder handle, the bag always fits perfect to the child's height. For a comfortable carrying of the bag, the small handles have an upholstery. Moreover, the nursery bag comes along with a changing mat. Thus, it is a lot of fun to change the diaper of the favourite doll. The sewing diaper is due to velcro easy to open and close - even for small children's hands. Due to its fashionable outlook the bag is also perfect for a shopping trip or in the kindergarten or to visit a friend.
