BRIXIES PLUS

IMAGINATION WITHOUT BOUNDARIES!

Se i classici set Brixies hanno conquistato il mondo con il loro fascino in miniatura, la linea Brixies Plus è dedicata a chi non vuole porsi limiti. Questa collezione eleva l'esperienza di costruzione, combinando la precisione millimetrica tipica del brand con modelli di grandi dimensioni e una complessità strutturale superiore.

Supera i Confini del Micro-Building
Con Brixies Plus, la filosofia "Small bricks, big results" raggiunge il suo apice. Non si tratta solo di costruire un modello, ma di scolpire un'opera d'arte mattoncino dopo mattoncino, dove ogni singolo elemento contribuisce a un risultato monumentale.

COMPATIBILE!
