This modern twin doll's pram is suitable for dolls up to 46 cm. The twin tandem has flexible sun covers and a height-adjustable handle, therefore it is easily adaptable to the child's height. Furthermore, the doll's pram has a reversible handle, thus the handle can be easily moved on both sides. It's possible to attach each seat in direction of travel or towards the child. Moreover, the seats can be positioned straight - seat behind seat - or with an angle - one seat is more down, the other one more up. Thanks to the integrated shopping basket, everything that is needed for a beautiful day trip, can be stored. It is also possible to mountain the EasyGo doll's car seat (not included in the delivery) on the twin tandem.

Its stylish frame with the integrated tray on the seat gives the twin pushchair its special appearance. Thanks to the seat belts, the favourite dolls can always be securely buckled. The soft handle is also comfortable when pushing the stroller. Moreover, it can be adjusted to the kid's pushing height. For transportation reasons or to save storage space, the twin doll's pram can be folded. Furthermore, the integrated shopping basket offers space for all necessary doll's accessories. In addition, the colour matching bag is perfect for an excursion.

This modern doll's car seat has a very fashionable colour. The beautiful car seat is suitable for dolls up to 46cm. With its wonderful fabric and its integrated sunshade, the doll or plush toy sits comfortably and is protected from sun and wind in the face. Thanks to its integrated seat belt, the doll or the plush toy is secured from falling and has sweet dreams while travelling. The ergonomic handle which can be positioned back or in the middle is comfortable to carry, thus it is easy to carry the doll or the plush everywhere you want. Placed on the floor the doll's car seat can rock when slightly pushed. It is also possible to mountain the doll's car seat on the Neo Vario or the Xeo doll's pram.
